## Increase in areas with guaranteed snow cover and better quality in the context of a comprehensive investment programme

By 2018, Bergbahnen Destination Gstaad AG (BDG AG) – together with the surrounding local authorities and other financial partners – will have invested a total of about CHF 160m in artificial snow, the replacement of mountain lifts and in mountain restaurants as well as other projects.

## COMPLETED PROJECTS

### Slopes and artificial snow

The yellow slopes on the panoramic map are covered in artificial snow using state-of-the-art snow-making equipment. BDG AG currently operates approximately 670 snow-making machines. This number will increase further in the coming years.

### Mountain lifts

- 5 new detachable 4-seat chairlifts
- 1 new 8-seat cable car
- 1 new ski lift

### Mountain restaurants

- Refurbishment of the mountain hut Rellerli
- Renovation of the mountain hut Horneggli

## PROJECTS SCHEDULED TO BE COMPLETED BY 2018

### Slopes and artificial snow

The artificial snow projects are marked in blue on the panoramic map.

### Mountain lifts

There is a plan to replace 7 transport systems.

### Mountain restaurants

Complete renovation of the mountain restaurants Saanerslochgrat and La Videmanette.
